Pastor's Message

Dear Parish Family,

This weekend I'd like to wish all of our mothers a "Happy Mother's Day". We also remember to offer prayers and remembrances for all our deceased mothers and grandmothers. In the Universal Prayer, we include praying for mothers who may be facing difficult challenges including those who are pregnant, facing infertility, mourning, in danger and more. We also recognize not just all the mothers 'per se', but all women who may have shown someone a mother's love and include them as well.

We continue praying for our teens who just received the Sacrament of Confirmation on Saturday, May 12th at St. Anthony's Church in Belleville, and our children who had their First Communion Mass at OLMC. I thank their parents and guardians for their guidance and for bringing their children to our Religious Education program for their formation. I also thank our parish catechists for their hard work and sacrifices in preparing our children for the reception of these sacraments. I pray that with the parish's support and guidance, these children will have their faith strengthened and actively participate in parish life.

I thank the Knights of Columbus for sponsoring the prayer books of our First Communicants at OLMC. I am honored to have been asked to be the new chaplain of the Knights of Columbus Federation of Essex County. In this capacity, I would like to invite all the men in our parish to join the Knights of Columbus and be a part of our council. If you are interested, you can call the rectory or email Ken Stoyack, the Grand Knight, at KofC6195@verizon.net for more information.

Aside from the Sunday and weekday masses, there are many religious activities and devotions. I'd like to remind you of these parish activities and ask that you join us whenever possible.

- Each day after mass ~ the recitation of the Holy Rosary.
- Every Tuesday at 7:30 p.m. ~ Novena to the Infant of Prague.
- Every Wednesday after mass ~ we recite the Novena to Our Lady of Mount Carmel.
- Every First Friday after mass ~ the recitation of the Novena and Chaplet of the Divine Mercy.
- Every First Sunday of the Month at 5:00 p.m. ~ the Filipino Mass.

I'd like to thank Nick Molinaro, Harris Glaser, Nhel Matias and Jose Torres for painting the outdoor statue of the Blessed Mother and landscaping the

surrounding grounds. Thank you for your hard work and generosity.

As previously announced, I am inviting everyone to my installation as pastor on June 3, 2018 at the 12:15 p.m. Mass. If you are attending the mass and/or the reception, **the deadline for all RSVP's is May 14th.** Thank you all for your continued prayers and support. God bless you all.

Sincerely in Christ,

Fr. Alex

Michelangelo di Lodovico Buonarroti Simoni

Michelangelo (3-6-1475 – 2-18-1564) was an Italian sculptor, painter, architect and poet of the High Renaissance born in the Republic of Florence, who exerted an unparalleled influence on the development of Western art. Considered by some the greatest living artist during his lifetime, he has since been described as one of the greatest artists of all time. Despite making few forays beyond the arts, his artistic versatility was of such a high order that he is often considered the archetypal Renaissance man, along with his rival, the fellow Florentine and client of the Medici, Leonardo da Vinci.

A number of Michelangelo's works of painting, sculpture and architecture rank among the most famous in existence. His output in these fields was prodigious; given the sheer volume of surviving correspondence, sketches and reminiscences, he is the best-documented artist of the 16th century. He sculpted two of his best-known works, the *Pietà* and *David*, before the age of thirty. Despite holding a low opinion of painting, he also created two of the most influential frescoes in the history of Western art: the scenes from Genesis on the ceiling of the Sistine Chapel in Rome and *The Last Judgment* on its altar wall. His design of the Laurentian Library pioneered Mannerist architecture. At the age of 74, he succeeded Antonio da Sangallo the Younger as the architect of St. Peter's Basilica. He transformed the plan so that the western end was finished to his design, as was the dome, with some modification, after his death. Michelangelo

died on February 18, 1564 – just weeks before his 89th birthday – at his home in Macel de'Corvi, Rome, following a brief illness. A nephew bore his body back to Florence, where he was revered by the public as the "father and master of all the arts". He was laid to rest at the Basilica di Santa Croce – his chosen place of burial.

Michelangelo was the first Western artist whose biography was published while he was alive. In fact, two biographies were published during his lifetime. One of them, by Giorgio Vasari, proposed that Michelangelo's work transcended that of any artist living or dead, and was "supreme in not one art alone but in all three".

In his lifetime, Michelangelo was often called *Il Divino* ("the divine one"). His contemporaries often admired his *terribilità* – his ability to instill a sense of awe. Attempts by subsequent artists to imitate Michelangelo's impassioned, highly personal style resulted in Mannerism, the next major movement in Western art after the High Renaissance.
