To Our Parishioners and Supporters of Our Lady of Mt. Carmel Church:

The Covid-19 pandemic has created many challenges, the upmost of which is to our Personal and National Health and our Daily Well Being.

We all must continue to pray and hope that all the measures implemented by our national leaders are successful in controlling the spread of this pandemic and ultimately lead to its conclusion.

Acknowledging that our way of life has been altered we are faced with the possibility of celebrating the Resurrection of our Lord and our Renewed Faith in Him, without the glory of attending Mass.

We share an urgent need to you our Faithful Parishioners which is the Financial Health of our parish.

During the past year we were able to achieve a measure of Financial Success, the basis of which was your support of the many Fundraisers, ultimately, it was your support and dedication to our weekly collections.

As a result of the impact of the Covid-19 pandemic, we have not had the benefit of our daily and weekly mass schedule and prayers. We have been without the support and need of our weekly collection.

It is the absence of this Financial Support which will endanger our ability to continue our Mission to our Lord.

Please support us. Drop off or mail your donation to *Our Lady of Mt. Carmel – 120 Prospect Street, Nutley, New Jersey 07110* or visit our Archdiocese sponsored on-line parish website: **charity.gofundme.com/olmcnutley**.

Thank you for your support and generosity especially at this very critical time.

Sincerely in the Lord,

Rev. Paciano Alexander Barbieto, STL

Pastor
